L-W Band Displays Skill Before Denver Audiences

The Lincoln - Way High School band left Monday evening on a concert tour that will include an appearance at Denver, Colo.

Members met at the school where they boarded buses that carried them to Aurora to make connection with the west bound Burlington Zephyr. The train left at 5:22. Some of the parents drove to Aurora to see the young musicians off.

At Denver the band will appear in two concerts, one at the Children's Asthmatic Research Hospital and the other at the National Jewish Hospital.

Members of the band will also visit the U.S. Air Force Academy and the Colorado Springs area, including the Garden of the Gods, Seven Falls, Ghost Town and the

Cheyenne Mountain zoo. They also will visit the Red Rocks Natural Amphitheater, Lookout Mountain, Echo Lake and Central City.

The band reached Denver Tuesday morning and played at the two hospitals the same day. On Wednesday they went to the Air Force Academy and on Thursday took in other sights in the mountains.

While at Denver the group was housed in the Denver Centre Motor Lodge. The band will leave Denver this evening and arrive at Aurora at 9:12 tomorrow (Friday) morning.

This is the first trip the Lincoln-Way band has made and it was made possible thru the fund raising efforts of the Band Parents. The Band Parents, and the band members, expressed their

gratitude to the public for its response to the various activities.

The Band Parents had hoped to complete their task with sky diving and rocket show scheduled for the Lincoln-Way campus. Adverse weather conditions, however, caused cancellation of the event twice and it was abandoned for the time being.

However, the Band Parents may put the show on later or sponsor some other activity as they lacked \$200 of raising sufficient funds for the trip. The \$200 was borrowed and now the Parents are girding to get the loan paid off.

Robert Taylor, director and chairman of the L-W music department and Randall Hummer, his assistant, were in charge of the band on the trip. Several parents also made the trip.

A new-car type warranty for used-Ford buyers!

Your investment is covered for 2 years or 50,000 miles when you buy a 1964, 1965 or 1966 Ford-built car from your Ford Dealer

FORD MOTOR COMPANY

Used Car **24/50** Power Train Warranty

The 24/50 Power Train Warranty on late-model used Ford cars is like money in the bank. It gives you a feeling of security—whether you ever have to use it or not. But if you do have to use it, it's backed by the factory that built your car. And that says plenty about the quality of a used Ford.

Low-cost '65 Fairlane

Big, full-size Ford Galaxie

Ford Motor Company warrants to Purchaser of used 1-, 2- or 3-year-old Ford-built cars certified and registered by an authorized Dealer, that the Dealer, using genuine new Ford or Ford Authorized Reconditioned parts, will repair, free of charge including related labor, any Power Train part which fails in normal use and service within (i) 24 months from the termination of the New Car Warranty (or from the date the Used Car Warranty is registered, if that is later) or (ii) 5 years from the date of production, or (iii) 50,000 miles of total operation, whichever comes first.

The Purchaser will pay only the first \$25 of the total warranty repair bill and must present his Owner Card or Warranty Certificate.

The Warranty is not transferable and does not apply to failures caused by abuse, neglect or inadequate maintenance.* repairs attempted by non-authorized dealers, accidents or other casualty.

*Every 6 months/6,000 miles: engine oil and filter should be changed, breather cap and air filter cleaned and transmission and axle fluid levels checked. Every 12 months/12,000 miles: air filter (closed ventilation system) emission control valve, thermostat filter and oil breather cap (1964 models) should be changed, and emission system and carburetor spacer cleaned. Every 36 months/36,000 miles: air filter (open ventilation system) should be replaced, and universal joints (1964-65 models) repacked. Scout Pack Hosts Family Picnic At Mokena Park

MRS. EDWARD HOVI
Telephone: 479-5740
The Cub Scouts of Pack 10 will have a family picnic tomorrow night, Friday, June 16, beginning at 6:30 P.M. at the Mokena Community Park. Each family is to bring its own food.

The picnic will be highlighted by a baseball game pitting the fathers against the sons, and, with all the practice the boys get in the baseball program, it should nudge the fathers into putting out their everything to come out ahead.

-0-
Is there anyone who would be interested in becoming the new Cub Scoutmaster? Mr. Cronos has been Cub Scoutmaster for the past two years, to "fill in" temporarily when the former Cub Scoutmaster moved from the area. He would now like to retire from his "temporary" job. Anyone interested in the job, please contact Mr. Cronos at 479-5038.

There will also be the annual cry for Den Mothers. With the increasing number of boys who register each year, there is need for ever more Den Mothers. This does take up some of your time, ladies, but the boys do appreciate your efforts. Experience is not necessary, but helpful, and you do not have to have a boy in Cub Scouting. An interest in boys in general and Cub Scouts in particular is all that is essential. If you are willing to take on a den, or to be a co-leader, please contact Mr. Cronos at the above number.

-0-
Since today seems to be the day for asking, how about some more ladies for the Girl Scouts. There will be a need for leaders and co-leaders for all ages of Girl Scouts from Brownie Scouts on up. If you will be able to contribute your time and enthusiasm to Girl Scouts, please contact Mrs. Alice Kilgore at 479-5369.

-0-
This is the last call for contributions for an orphanage in Viet Nam. Lightweight children's clothing in usable condition is needed, and to give the youngsters something to smile about, the collection is also to be for toy trucks for the boys and dolls for the girls.

Mrs. Louise Hendrickson will be taking the contributions to Chicago to be packaged for mailing tomorrow, Friday, June 16. All con-

tributions may be brought to Mrs. Hendrickson's house at 19502 South Catulpa Street, or she may be contacted at 479-5821 for further information.

These young children are the sufferers of the war's dirty dealings, please won't you try to help, anything you can do will be appreciated.

-0-
The Arbury Hills Civic Association will hold a general membership meeting at the school on Sunday afternoon, June 25, beginning at 2:00 P.M. All members are cordially invited to attend. Any newcomers to the area are also invited to attend and meet some of your neighbors of Arbury Hills.

-0-
The baseball season is getting in full swing with the Lincoln - Way area games

having started last week. Things were looking up for Arbury Hills with both the "A" team, nine to twelve

year olds, and the colt team copping victories on their first tries.
The "A" team played the

Lincoln Estates team and won by the score of nine to four, and the Colt team played New Lenox's team and

came out on the right end of a four to one score. The Pony team was not scheduled for the first round of games.

Graduates Honored At Many Receptions

JAMES PEYTON
Telephone: 532-1516

This being the week of graduations most of my report will be in regards to the graduations and the parties that followed. The Summit Hill School in Arbury Hills held their exercises on Saturday, June 10, at the school with 25 children graduating and of these 25 Tinley Gardens had 5 who are as follows: Jim Woods, Mark Sandy, Shirley Sweet, Richard Neal and Donald Burke. After the graduation itself was complete, the group returned to the home of Herschel Woods in Lenore Lane and an open house resulted. Many friends and neighbors attended as well as quite a few of the teachers from Summit Hill School. I would like to compliment all of the children on their achievements however the achievements of two boys must be elaborated on as they received special awards. Jim Woods received an achievement award and a special art award (which he won a prize for in the statewide contest) and Mark Sandy won an achievement award and an award for perfect attendance. Let's give these two boys a big hand as they have endeavored to achieve the ultimate in their education and at the same time be just plain boys.

I would now like to take a few lines to report on the baseball game played last week at Tinley Gardens Playground between an Arbury Hills team and Tinley Gardens team. Our boys went out and played as best they knew how but came out on the short end of the stick by a score of 14 to 0 in about five innings however we are not going to quit playing but instead are going to practice more often and learn a little better and before the season is over we will play this same team again and I'll bet we do better. We may not win but we will certainly give them a work out when our boys have finally learned a

little more about this game called baseball. We have the ability to learn and the enthusiasm to win and I am sure that this is all that is necessary to make a good show.

I am sorry to report that when reporting about our flag girls for the month of June, I stated that Linda Henschel and Barbara Ott would be the girls however I am informed that the two girls are Linda Henschel and Debbie Engel, and, both of these girls are girl scouts as stated before. Sorry about that.

Don't forget the White Elephant and Bake Sale, June 24, at the playground. The girls will be around to contact each one of you personally. Let's all help make this a real success by helping these girls in any and every way necessary. Thank you.

Letters FROM THE Hirsch's

Dear Friends,

We should be thankful that here in our country we have religious freedom.

People want the guidance of some religious faith. Our churches here are well prepared to give it. So make some church your church, and support it with contributions and attendance.

99-Automobiles For Sale

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port
of entry for the VW Sedan.

The price includes federal excise tax and im-
port duty.

It includes the built-in heater/defroster, wind-
shield washer, electric windshield wipers and dual
padded sun visors.

It's the price of the real thing; not a stripped-down
economy model.

What else do you have to pay?

The charge for transporting the car from the
port of entry. The dealer delivery charge.

And local sales tax.

There is one optional that makes a lot of sense:
the matching leatherette upholstery, for \$30.00 extra.
Nearly everyone orders it because it eliminates the
need for slip covers. And that's it.

(Unless, of course, you count the cost of gas and
oil it takes you to get here in your present car.)

Now at our new location . . .
